Please make any additional comments or suggestions, which you think would help us strengthen our programs in preparing our graduates to enter the work force in Architectural field.

- Please give students idea about what is happening around them in world & architecture.
- Provide them good books about architecture & Masters & History.
- Guide them to proper way of research & Documentation (Not photographs)
- ~~Do~~ Make sketching part of program / keep them updated via Documentaries & presentation of theories & works in architecture
